The musicians.

João Nunes

Tiago Francisquinho

Rodrigo Oliveira

João Nunes, Tiago Francisquinho and Rodrigo Oliveira form GROOVUDU. The three multi-instrumentalists bring close to two decades of studying instruments and musical languages from different parts of the world.

Having performed individually and together at festivals and events, they bring those paths into this electroacoustic trio.

Planning your event

Programme	We choose the musical moments around your event idea and schedule.
Sound and instruments	We agree the instruments, performance length, space and production requirements.
Presentation	Visual presentation and wardrobe are coordinated with the setting and protocol of your event.
